

League Members Have Two Chances this Month to March to Support Science (4/22) and Address Climate Change (4/29)!

The LWV is an official cosponsor of the **National Climate Change March** in Washington D.C. on April 29 and encourages local Leagues to support, publicize, and participate in their local marches. If you are unable to make that march, there are sister marches all over the country.

Orange County (CA) Climate March, April 29, 2017 • 2:00 PM Irvine United Congregational Church, 4915 Alton Pkwy Irvine, CA 92604

Check this link for more information and related activities at this site.

If you want to march with the League in Orange County, please contact COAST President Diane Nied so that you can meet up: stemc6@gmail.com, (562) 397-3926

For information about other Climate Change Marches on April 29th in Southern CA go to: <https://peoplesclimate.org/sister-marches/>

If by any chance you'll attend the Climate Change March in Boston, COAST Advocacy Chair Becky Newman and her husband Riley (also a proud Leaguer) will be there too! Contact Becky at BeckyNewman2222@Gmail.com or 949-874-6166

MARCH FOR SCIENCE

EARTH DAY **APRIL 22, 2017**

#MarchForScience

While the LWV is not a sponsor of the **Science March** on April 22, local Leagues MAY support and participate if they choose.

The main march will be in Washington, DC. If by any chance you'll be there, Becky & Riley Newman will be there too! BeckyNewman2222@Gmail.com, 949-874-6166

To find a local march, go to: <https://www.marchforscience.com/satellite-marches/>

COAST Voter Service Chair Vickie Chenevey will be participating in the March for Science in LA – contact her for more information: vchenevey@yahoo.com, 714-475-9772,
