

**LEAGUE OF WOMEN VOTERS
OF ORANGE COUNTY
INTER-LEAGUE ORGANIZATION**

You are invited to join in the Orange County League of Women Voters Study:

Money in Orange County Politics

- What is the influence of money in Orange County politics?
- Is an oversight mechanism needed to assure transparency and compliance with regulations?
- Does Orange County need an Ethics Commission to enforce county campaign ordinances?

A committee of the Orange County League of Women Voters Inter-League Organization (ILO) has been researching these questions since December. The committee's work will culminate with three study sessions to develop a concurrence and an official League position.

All three meetings are open to the public. Everyone is invited to participate.

**Study materials will be available about one month before each session on the ILO website:
www.ocilo.lwvnet.org**
