

VOTER SERVICE

The North Orange County League will be hosting a series of candidate forums in late September and October to educate voters about the candidates. We still need volunteers to help with the forums, so if you have an extra hour or two, please contact Deborah Vagts at dvagts@gmail.com or at 714-390-3852. Tell your friends and family, who live in the cities/school districts served by our League, about the forums and encourage them to attend. The candidate forums will all start at 6:30 p.m.

PROS AND CONS FORUM

The League is holding a pros and cons forum to explain each statewide ballot measure on Saturday October 4, 2014 from 1:00 to 3:00 pm. It will be held at the Mackey Auditorium, Ruby Gerontology Center at California State University Fullerton at 800 N. State College Boulevard, Fullerton. The forum is open to the public.

A member of the League will explain each statewide measure on the November ballot. Arguments for and against, along with probable fiscal impact of each measure will be offered. The information will be presented factually and without bias, so that attendees can make their own decisions. There will be time for questions.
